

Quat Ammonium Test Papers

Model 50013

Need a quick and easy method to ensure you are effectively sanitizing food surfaces? Quat Test Papers are the answer. The Hydrion QT-10 test paper provides a simple and reliable method to verify the strength of Quaternary Ammonium sanitizers and ensure compliance with the food safety laws enforced by federal, state, and local health departments.

The Test Papers give accurate readings when properly used:

- Get room temperature test solution (65°F -75°F)
- Immerse test strip in still solution for 10 seconds
- Compare color against the color chart.

- Simple test procedure requires no technical training
- Easy to match color with color chart included
- User-friendly dispenser package
- Economical pack provides approximately 100 tests

Range/Scale	0, 100, 200, 300, 400 (ppm)
-------------	-----------------------------

Package	Approximately 100 strips packed in a plastic dispenser that contains a color matching chart
---------	---

Roll Size	5/32 in x 15 ft
